Columbia, South Carolina 29211

**Re: Annual Review of Base Rates for Fuel Costs for South Carolina Electric
& Gas Company; Docket No. 2019-2-E**

Dear Ms. Boyd:

On April 1, 2019, South Carolina Electric & Gas Company ("SCE&G" or the "Company") filed a Petition to Rehear or Reconsider Order No. 2019-229 with Respect to Rate PR-2 and in the Alternative, Motion for Stay ("Petition") in the above-referenced matter. As further evidence of the relief requested herein, attached hereto as Attachment A, please find a redacted request for a power purchase agreement ("PPA") submitted to the Company by a solar developer on April 10, 2019. SCE&G submits that this communication constitutes additional evidence that developers continue to express interest in developing solar Qualifying Facilities ("QF") under the current QF rates.

In addition, on April 5, 2019, the South Carolina Solar Business Alliance, Inc. ("SCSBA") filed in the above-referenced matter its Response to the Company's Petition to Rehear or Reconsider ("Response"). Therein, SCSBA stated that it does not oppose suspension of Rate PR-2, subject to the imposition of certain conditions by the Commission. See Resp. pp. 2-3. SCE&G has reviewed SCSBA's Response and herein advises that, if the Petition is granted, the Company does not oppose the ability of QFs that execute a PPA during the suspension period to update the negotiated avoided cost rates for these QFs in the event the South Carolina Supreme Court reverses this Commission's decisions in Docket No. 2018-2-E and the Commission, on remand, either disapproves elements of SCE&G's avoided cost calculations or approves a Rate PR-2 that differs from the rates approved in Docket No. 2018-2-E.

By copy of this letter, we are serving all parties of record with a copy of these documents and attach a certificate of service to that effect.

If you have any questions regarding these matters, please do not hesitate to contact me.

Very truly yours,

Matthew W. Gissendanner

MWG/kms

Hi Eddie,

I hope you're well. We'd like to execute the PPA with SCE&G/Dominion for our [REDACTED] project. Is the attached still the current version? What info do you need from me to get this in motion? Please let me know.

Thanks,

[REDACTED]

[REDACTED]

Per your request, Attached is SCE&G's current Draft Template Solar QF PPA for your review. I did also verify that we still have an active confidentiality agreement.

Thanks,

Hi Eddie,

Did you ever send me the latest form PPA? If so, I can't find it in my records. Do you mind sending again, please?

Thanks!
